Commissioner for Patents

Dear Sir:

Pursuant to 37 C.F.R. § 1.56, submitted herewith is a copy of one (1) reference cited in the enclosed Office Action issued in a corresponding Chinese Patent Application. For the Examiner's convenience, we have enclosed an English translation of the Chinese Office Action from the corresponding Chinese Patent Application and a completed Form PTO-1449. The relevance of the non-English language reference CN 1239354A is set forth in the English translation of the Chinese Search Report enclosed herewith. Further, Applicant includes herewith the U.S. equivalent Patent Application Publication No. US 2002/0039056 A1. Finally, although the Chinese Search Report includes a second reference JP 9-181567A, Applicant did not include a copy of the

reference herewith as that reference was cited in a previously submitted Information Disclosure Statement on December 1, 2003.

The statement is not a representation that all of the information cited is necessarily effective as prior art against the application.

No fee is necessary for the filing of this statement. Should the Commissioner determine otherwise, the Commissioner is authorized to charge Deposit Account No. 50-1353 for any fee shortages, including the petition fee under 37 C.F.R. § 1.17(p).

Applicant respectfully requests that the disclosed references be made of record in the subject application.

Respectfully submitted,
